We, Vision First Limited, re-published on our website on the 24th March 2015 an article by Refugee Union entitled "[RU prepares to bury a comrade](#)" which stated, "We salute a Comrade Killed by our Oppressor ISS-HK" referring to the death of Mr. Sivaharan.

We accept that the allegation ISS-HK killed Mr. Sivaharan is unsubstantiated, inappropriate and ought not to have been published. We hereby unreservedly withdraw this allegation and wish to apologise to ISS-HK for any inconvenience and embarrassment caused by it.
